

2014 Antarctica Photography Adventure Costs

Nature Photography Adventures' Antarctica Photography Adventure

*The base cost for this adventure is based on double occupancy (both land and sea) and a Twin Window Cabin on the Plancius. The 2013 base cost per person, assuming 18 paying participants, is: \$18,695 Plancius – Twin Window Cabin (21D/20N Package)
\$ 450 Airfare: Buenos Aires/Ushuaia/Buenos Aires (subject to change)
We expect an adjustment to these costs when 2014 rates are available.
If we fall short of 18 paying participants there will also be a price adjustment.*

You will also be able to step up or down in cabin style – and adjust your rates accordingly. And, we have had Southern Explorations figure out rates for single occupancy, both on shore and on the Plancius. See below.
