\* I am ready to participate in the Oregon Wine Country Tasting and Photographic Adventure May 26 – June 2, 2012. I understand that the trip will be active at times, and I am sure that I am in good enough health to participate. I also understand that travel requires flexibility and that schedule changes are often necessary to make the best of available opportunities.

\* I will bring a good attitude to this adventure and promise to be a positive influence on the group.

\* I have read, understand, and accept the cancellation policy for this adventure (posted on the site).

\* I understand that I will be notified when this adventure meets minimum enrollment so that I can make travel arrangements - and that I will receive a full refund if it does not reach minimum enrollment.

\* I understand that my application is not complete until Egret Communications has received my signed application and payment.

\* I understand that this is a non-smoking workshop.

\*\*\*Please sign in the box below to agree to the above.

## Late Payment Policy

Most workshops require a deposit and a final payment. The application is not activated until the deposit is made.

If the final payment is not received by the due date, enrollment is suspended. We will finalize workshop arrangements including tours and lodging without reserving space for those whose final payment has not been made. This may result in the reassignment of a roommate or the assessment of a “single” charge for the person left without a roommate. No refunds will be made.

If final payment is not made any special arrangements or offers are considered canceled.

Reinstatement is at “our discretion” and will involve a fee to be determined by us to cover the duplication of our work and the additional expenses we incur in adding the suspended party back into the program. This fee will not be less than \$200.

Note that we do not wish to impose this Late Payment Policy on anyone – and will work with participants (in advance) to avoid these consequences. However, past late payment situations have added to the cost of producing workshops, have reduced options for those patrons who have paid on time, and have delayed program information to those who meet program schedules.

If you anticipate that you might not be able to meet the payment schedule, please contact us immediately so we can work to avoid these consequences for you and your trip mates.
